

## Cape to Cape 2016 onboard the *Silver Explorer*

The *Silver Explorer* has been designed specifically for navigating waters in some of the world's most remote destinations, including both polar regions. A strengthened hull with a Lloyd's +100A1+LMC Ice Class rating for passenger vessels allows her to safely push through ice floes with ease. There is plenty of deck space for observing the natural wonders and whenever possible the Captain will maneuver the ship to make the most of wildlife sightings.
